

# 2024 Deerfield Wreath Walk Guide

The following is a guide to wreaths that volunteers made to decorate the doors of Old Deerfield. This guide follows the wreaths on the street using a numbered system—please refer to the map included at the end of the guide for locations.

Materials and decorations for the wreaths were obtained from Kingsbury Christmas Trees, Gardener's Supply at Hadley Garden Center, staff, and volunteers. Wreath makers also reuse saved decorations from previous years.

Locations include private homes and side & accessible doors shown on the map at the end of this pamphlet.
